

Message from the Youth Pastors—Eric & Patsy Richards

First, we would like to thank you for all of the support you have given us over the years, especially to those who drop off their kids Sunday after Sunday at Children's Church. We know it is a sacrifice, but we know the sacrifice is well worth it.

We want to thank all the workers who sacrifice their time to be with the kids. Without you we could not have Children's Church. Then we want to thank the Children's Church Directors, Walter & Adrienne Brown, who works untiringly to make sure everything is done for the children of The Faith Center.

Parents, as we endeavor to do all that we want to do for your children, we ask that you take time out and consider volunteering. Again, we understand sacrifice, but believe me when you see a child's face after you have taught a lesson, it is well worth it.

Below are just some of the benefits of volunteering in the children's ministry.

1. Children are important to God.

I don't know about you, but I want to serve in ways that matter most to God. There is no question about God's attitude toward children. The Bible tells us that kids are a blessing from God. While Jesus was on earth, he made a point to welcome children and to affirm their value. He even talked about punishment for anyone who would abuse a child. Make no mistake, kids matter to God. If God's priorities matter to you, then you should serve in Children's Ministry.

2. Serving in Children's Ministry multiplies your efforts long-term.

There are few ministry opportunities that allow you to impact the future in such a direct way. When you love and teach kids

this Sunday, you are also influencing generations to come. These children will one day become parents and church leaders themselves. If you want to change the world long-term, then you should serve in Children's Ministry.

3. Reaching children should be a top priority for the church.

It's been proven that most people who will come to Christ do so when they are young. The childhood years are the years of greatest opportunity for the Gospel. Unfortunately, many churches don't make the most of what God has given them. If you want to see people come to Christ, then you should serve in Children's Ministry.

Message from the Children's Church Directors

Two and a half years ago, the Faith Kidz Children's Church Ministry began. It has been our pleasure to be a part of this great ministry and watch the children grow in the love of Jesus.

We are excited about the direction the Children's Church is headed, with our new Multipurpose Center, exciting new curriculums, and a lot of eager new workers. Our ministry is getting ready to explode with our addition of a nursery! Toddlers as young as age two will be taught the Word of God at their level. The elementary-aged kids will be engaged in a high energy and exciting curriculum called Big City Studios, where Children's Church will be converted into a movie production studio! In preparation for this exciting change, we will test drive this new curriculum in November.

The Faith Kidz Children's Church is embarking on our first missions project called Operation Christmas Child (OCC). Each child is asked to decorate a shoe box and fill the box with a variety of new items that a child their age would love to receive. These boxes will then be shipped overseas to a needy child for Christmas. Each box needs to include \$7 to help defray shipping costs. Our deadline to receive all shoeboxes is Sunday, November 15, 2009. Please support your child with this project and make it a family event. Keep a look out for brochures and more information about OCC.

The success of the Children's Ministry thrives on committed workers. So, calling all parents! We're asking that each parent serve one Sunday per month where you can help "nullify the prediction and rewrite the future" of our kids with your time and talents. Thanks in advance.

In Christ,

Walter and Adrienne Brown

### Benefits cont'd

4. Serving children will build humility into your character.

Too often, those who work hard in the church nursery or Sunday school are not given credit for their service. "Out of sight out of mind," is the way most churches oper-

ate. While this can be discouraging, I think it's a blessing in disguise. Like so many other acts of service done quietly, the rewards come in heaven. But in the here-and-now, I am glad for a humble place to serve.

5. Serving kids will make you a more patient person.

Children's Ministry is unpredictable and even the best plans can be torpedoed by a disruptive child. This is another blessing in disguise, working with kids will teach you patience. Where else can you gain this excellent fruit of the Spirit?
